Our Generous Donors Are Changing Lives

Your support, in large part, is how we were able to answer the over 18,000 service requests received in 2018—all of them our island neighbors. We are proud to say that 93% of every dollar donated goes directly to our programs. Without your tax-deductible donations, we would not be able to provide the services that we do. **OUR NEIGHBORS NEED YOUR HELP.** Please visit fishofsancap.org to learn how you can help.
