# WheresTheBus™

The WheresTheBus app lets households know precisely when their child's bus will arrive at their bus stop. It displays in real-time the number of minutes and miles the bus is from the household's bus stop. Any member of the household can access this information from any internet connected device.

## Available On

ANDROID APP ON Google play          Available on the App Store          www.wheresthebus.com

To sign up:

• Go to www.wheresthebus.com

• On the home page, under the *parents* section, click on the "set up account" button.

• Select *Lee County Schools (FL)* from the dropdown box and click "continue".

• Click "add student". You will need to do this for each student in the household.

• Enter the students last name and student id number. If you don't know the students id number, please contact their school. Click save when complete.

• Confirm that the AM/PM bus number and pickup/drop-off times are correct. If you need to add another student, click the "add student" button and follow the directions in the previous step. When you are done, click "continue".

• Fill out all the information on the next screen and create a password for you account. Please make sure you enter a valid email as this is how you will receive your account details and updates. Check the box to agree to the *Terms of Use* and click "signup".
